Response filed June 27, 2006
Reply to Notice of Non-Compliant Amendment

REMARKS

This Amendment in response to the Notice of Non-compliant Amendment is supplemental to the Amendment filed on May 1, 2006.

In accordance with the instructions in the Notice, the present amendment only corrects the “Amendments to the Specification” section, by replacing the “Amendments to the Specification” section as filed on May 1, 2006, with the presently filed section.

The present amendment to the specification is made in response to the objection in paragraph no. 4 of the final Office action of September 7, 2005, in which it was noted that “Henschel Mixer” was uncapitalized at line 31 of the amended paragraph from page 30, line 10, of the specification, as amended in the Amendment dated June 16, 2005. The present amendment amends only that paragraph, and only that occurrence of “Henschel Mixer.”

Applicant requests that the Examiner consider the remarks made in the Amendment filed on May 1, 2006. Reconsideration of the objections and rejections is respectfully requested.
